

# Wyoming Line Card

## [America Light](#)

(Sister company to Luraline Lighting) – American manufacturing and assembly. Short lead times. Assured value in specified lighting. We assemble, package and market lighting products, including lamps, ballasts, light poles, fixtures, and component parts for lighting solutions for mostly commercial projects. We are committed to promoting quality products, excellent service, and competitive pricing. Uniques allow us to fill a void in the marketplace-Innovation in Design, Product Customization, Short Manufacturing/Assembly Lead Times

## [Adesso Home](#)

Adesso, meaning “Now” in Italian, was founded in 1994 by Lee Schaak, who leads the design force and Peggy Traub, a former Bloomingdale’s DMM. Adesso’s specialties are fresh, contemporary, affordable lighting and furniture. Adesso is a design driven company with a proven global appeal. Adesso creates new designs and uses new technologies in our lamps and furniture, always at outstanding values. Our mission to create high design products for the masses is working and has allowed us to be found at the leading retailers in the world.

## [Altech Electronics](#)

Altech and our manufacturing arm, Ultron Industries, have been producing and distributing top quality lighting products for over 30 years. Altech stands behind its products. We offer an unmatched 10 Year Wrap-Around Warranty, LM70 100,000 hours, and the highest lumens per watt in the industry.

## [Arcus Light](#)

Integrity Sales - covers Northern & Central Wyoming-North of I80

Explosion Proof/Hazardous Area LED Fixtures, Signaling Fixtures and Industrial LED Fixtures. Arcus has been serving their customers since 1889.

Arkansas Lighting was founded in 1972 as Arkansas Lamp Manufacturing. We are a family-owned business that focuses primarily on sales to the hospitality industry and related businesses such as multi-family and long-term care. We have existing contracts with the Air Force, and we are approaching the 20-year anniversary of our GSA contract.

Our modern facility is based in Van Buren, Arkansas with approximately 120,000 square feet of manufacturing, warehouse, and shipping space. Total employee count varies seasonally but is typically 60-70 people. We have many long-term employees who have been with the company for 15, 20, even 25 years. Our central location reduces shipping time and expense to anywhere in the U.S.

Integrity Sales – covers Northern Wyoming

Bulbrite has been in business for 45 years with a full line of Bulbs/Lamps. They are a master distributor for SORAA LED Lamps. LED, Incandescent, Halogen, Krypton, Xenon, HID, Fluorescent, Fixtures & Strings, Miniatures, CFL. Same day shipping in many cases.

We are driven by a cause greater than ourselves. We believe that light is so essential – so fundamental – because it impacts every moment of our lives. Our dream is to touch the lives of many by providing the most beautiful light possible.

[Comet Art Lighting](#)

Comet Art Lighting, a subsidiary of Art Manufacturers Inc. founded in 1972, has been manufacturing quality products for 47 years and counting. All our products are 100% proudly manufactured in U.S.A. Don't delay your project's deadline due to long lead times from overseas. With full control of our supply chain, we can provide our customers reliable lead times.

Integrity Sales – covers Northern Wyoming

Elco Lighting is a comprehensive line of modestly priced recessed and track products. Undercabinet fixtures, brick/step lights, exit/emergency fixtures, HID wall packs/floodlights & LED fixtures. All low voltage, CFL & HID recessed downlights are assembled in the USA and use American made transformers and ballasts that carry a 3-year warranty.

## [Emergensee Lighting](#)

(Sister company to PROlite LED Lighting) Emergensee Lighting offers a comprehensive product line of quality life safety lighting at a competitive cost. With over 2,000 products and configurations, our wide range of exit signs, emergency lighting, inverter systems and LED battery packs are backed by a five-year warranty. We pride ourselves on delivering the highest level of customer service and expert life safety lighting advice. Emergensee Lighting is successfully represented by 35 independent, experienced lighting reps across the country. We have various warehouse locations strategically located throughout the USA to ensure quick shipping.

EverLast Lighting was founded in 1997 EverLast Lighting has quickly become the leading manufacturer of energy efficient Induction & LED lighting solutions for roadways, parking structures, facilities and area lighting applications. With 43 lines of products and more than 4 models in each line, and optional bi-level controls with on/off photo sensors, they have a lot to offer. Cobra heads, Shoe box post top lights, Acorn post top lights, Garage fixtures, rectangular Cobra heads and PV /Wind powered hybrid area lighting systems...All Made in the USA

## [Kanova & Co.](#)

Kanova & Co., (Sister company to Terracotta Designs) was founded with one goal in mind: to redefine luxury in modern lighting without compromise. Kanova & Co. pushes the boundaries of modern luxury lighting from the perspective of ornate traditional-style lighting. Although designed with the clean and restrained characteristics of modern aestheticism in mind, our products are inspired by past works of classical antiquity and elegance. Kanova & Co. utilizes cutting edge metal crafting and processing techniques to deliver unparalleled quality without resorting to exorbitant materials. We will continuously strive to provide the best possible customer service and product quality— because unmistakable excellence is the spirit of our art.

(Sister company to America Light) The highest quality, outstanding customer service, and a multitude of options. Luraline fixtures are stylish, durable, and promptly built just the way you want. They feature cost-effective LED lighting solutions with premium drivers, multiple mounting options, colors, finishes, and best of all, thousands of models to choose from. Everything adds up when you think Luraline.

Lighting and Power Technologies LLC. is headquartered in Plano, TX they are experts that specialize in LED fixtures, Fluorescent High Bays, LED Power Supplies, HID and Fluorescent Ballasts-including electronic sign ballasts. For the past 20 years they have supplied a full range of standard products. They offer DLC listed LED Fixtures from Holly Lite that are very price competitive.

[Lite Tops](#)

A wide array of unique glass and metal shades with distinct appearance. Contemporary styling geared toward the designer's eye for value and style.

## [PROlite LED Lighting](#)

(Sister company to Emergensee Lighting) PROlite LED Lighting offers a full line of indoor, outdoor, and high bay LED lighting products. We only offer UL and/or ETL listed fixtures, with DLC standards. In addition, all fixtures have a five-year product warranty, and we can quickly ship over 90% of the inventory listed on our website. Our products range from commercial quality to high-end specification, and architectural grade manufactured LED fixtures. With the ever-changing lighting trends, PROlite LED Lighting is consistently upgrading our fixtures with the latest LED technologies as well as adding new LED products to our line as they become available. We sell exclusively through our experienced lighting manufacturer representatives located throughout North America.

## [SolarOne® Solar One Solutions](#)

Integrity Sales – covers Northern Wyoming

Independent photovoltaic (solar) power sources for a wide range of applications including, but not limited to, lighting. Solar One systems include solar panels, batteries and LED light fixtures (if desired) for lights on pathways, sidewalks, parking lots, bus shelters, etc. without the significant expenses of trenching, power line construction and repaving.

# Stiffel® [Stiffel Lamps](#)

Solid cast metal Made in the USA table and floor lamps. This is a revival of the original company with many of their classic styles re-introduced, plus updated lamps in up-to-date finishes & shades. It takes dozens of precise steps to achieve this beauty that, in the end, satisfies the tastes and aesthetics of even the most discriminating. Heirloom quality that is truly a work of art. Each lamp is handcrafted to achieve this exceptional beauty.

## [Terracotta Designs](#)

Terracotta Designs (sister company to Kanova Designs) was founded in 2011 in Austin, Texas, from a family background in industrial design and the manufactory business. Our classics-inspired line of designs ranges from country-rustic to traditionalist modern. Our design philosophy goes beyond the singular light to consider the interior space as a whole. Each lighting product, inspired by the respected antiquity of traditional materials, is designed to perfectly illuminate, and draw out the unique characteristics of the home. We believe lighting should reflect tasteful restraint- that instead of chasing trends, elegance lies in a deep respect of the timeless classics. Our lights combine art movements and modernized production techniques to create a truly unique lighting experience. Whether it be a rustic country-style chandelier or sleek midcentury-modern fixture, Terracotta Designs would love to deliver our unique brand of light and style into your home.

## [Vaxcel Lighting](#)

A value priced lighting importer with popular designs for every room in the home. Featuring a wide assortment of indoor and outdoor families that compliment your lifestyle and taste.
